The impact of settlement on you financially

Destroyed !
After 100's of letters to HMRC from myself and my MP, HMRC (Mary Aiston) still can't tell me my pending fate on pre-2010 Open Enquires / years!
Not sure what has destroyed me more, HMRC lies and deceit or those of Government,
There is overwhelming evidence through many FOI's of this corruption and coverup, yet nothing is done.
So why will it change now!?!
I have had 5 years of continue hell!
I was forced to sign a settlement under extreme mental and financial duress which HMRC accepted - is this even legal?

The personal impact (financially and in other ways) if HMRC enforce the Loan Charge as laid down in the legislation

Destroyed.
I used to be such a joy chap and now I have lost all faith in the GOV who are suppose to look out for us and not continue to destroy us with vigour .
I'm now a very unhappy, anger, depressed person!
