he impact is Catastrophic, what is the point of working ALL my life to have mail threats telling me I have done something wrong, and demanding for my portion of my mother's house 45K, pension just received 35K, car, small amount of savings, just taken away. I am not surprised many have committed suicide, and with enough alcohol I might Join them, Just to take this stress & strain away, but my family are watching me, my depression used to end in anger , now It does not end .
