HMRC have opened enquiries on 2 financial years and continuously send me letters.

The personal impact (financially and in other ways) so far

Huge, immense amounts of stress, anxiety and worry that have had a massive impact on my mental and physical health.

As a result of the Loan Charge I have suffered sleepless nights for years now.

The stress levels also continue to place a significant strain on my personal and professional relationships.

The personal impact (financially and in other ways) if HMRC enforce the Loan Charge as laid down in the legislation

If I am legally forced to pay what HMRC are asking I will need to sell my family home or go bankrupt, There is no other way I could possibly pay.
