The personal impact (financially and in other ways) so far

I'm having to sell my house to get the money, the impact has caused severe anxiety and depression. I went into the loan scheme with the confidence that all my taxes would be paid not knowing I would be with a bill.

The personal impact (financially and in other ways) if HMRC enforce the Loan Charge as laid down in the legislation

Severe poverty and will definitely have a severe effect on my mental health. I have a family to support and am currently out of work.
